All the Eligible UG Programs are Accredited by NBA

R.S.M. NAGAR, KAVARAIPETTAI-601 206, GUMMIDIPOONDI TK., THIRUVALLUR DIST., TAMILNADU, INDIA.

I'm very happy to write this letter of reference for Supraja Arthi S whom I have known about over 3 years as her Year Coordinator, during which I taught her the courses of 'Design and Analysis of Algorithms' and 'Computer Networks'. Through my observation, I would like to say that she is curious, determined, studious, sincere and possesses a positive attitude towards academics and extracurricular activities.

She has actively taken part in many corporate contests and hackathons which included a lot of learning and efforts from her side. Supraja Arthi has also won the 3rd prize in intracollege Paper Presentation contest on the topic "Prevention of phishing attacks in voting system using visual cryptography". She has also been a part of many webinars and discussions conducted in the upcoming technologies. She was also selected among the top coding students for the Skillrack Elite program and was given special training in the competitive and logical programming stream. She makes sure to turn in the tasks assigned to her on time and that's one quality I've always liked about her.

I have always seen her as a person with an urge to learn something new. She also performs exceptionally well in the academics and she has got a perfect balance maintaining her academic and co-curricular records. She is a very enthusiastic person when it comes to learning new things.

I'm happy to know that Supraja Arthi will be kickstarting her career in a sound organization like yours. I strongly believe that she deserves to work in your organization. I have the deepest personal and overwhelming appreciation for her, and sincerely believe Supraja Arthi will show her unique energy, immeasurable dedication and tireless creativity at your Company. If you have any questions about this recommendation, please do not hesitate to contact me for I'm glad to help.

Yours sincerely,

Dr Geetha C
Associate Professor
Computer Science and Engineering Department.
R.M.K. Engineering college, Kavaraipettai - 601206.
